

Serology Tests- Rambam Hospital

Were you vaccinated abroad or are you recovering from COVID-19 and need a serology test in order to end your isolation?

A serology test is a simple blood test (without the need to fast beforehand or any other special preparation) that checks for the presence of coronavirus IgG antibodies.

How to make an appointment

Please send an email to coronatest@rmc.gov.il with a copy of your passport, Israeli phone number, requested date to do the test and your email address.

Location, Days, and Hours

Testing Station (facing the Emergency Room plaza)

Sunday-Friday: 7:30 am-2:00 pm

Additionally: Sunday, Tuesday, and Thursday: 4:00 pm-7:00 pm

The blood samples are analyzed in Rambam's Virology Lab.

Price

225 NIS

Receipt of Test Results

- Results will be sent to the email address you have provided within 2 business days from the date of the examination.
- If you do not receive an email with the results, please text to this WhatsApp number: 050-9140045.
