## Nomination and Application Procedures

Periods and deadlines		
<b>Recommended nomination deadline</b>	Winter semester and full academic year	until 15 June
	Summer semester	until 15 November
<b>Application deadline for students</b>	Winter semester and full academic year	15 July
	Summer semester	15 January
Procedures		
<b>Nomination procedure</b>	The partner university nominates students for the upcoming exchange semester or full academic year. Please use ↘ <a href="#">the excel form</a> and make sure the nomination includes all the students' relevant data. Please send us the completed excel sheet until 15 June / 15 November.	
<b>E+ICM nomination procedure</b>	The International Office of the University of Jena will contact E+ICM partner universities in April/October to inform them about the available numbers of E+ICM scholarships. Using the excel sheet we send you, please nominate selected candidates plus at least two candidates to replace possible dropouts. If students are nominated outside E+ICM (via bilateral partnerships), please add them in the same nomination sheet.	
Requirements		
<b>Student status</b>	At the time of application, applicants should be at least in their second semester of university education and must remain enrolled at their home university while studying in Jena.	
<b>ECTS Credits for students and <span style="border: 1px solid black; padding: 2px;">E+ICM</span> students</b>	All students must meet the credit requirements of their home university and/or scholarship programme. Erasmus+ and E+ICM students must take 30 credits per semester. Regardless of the exchange programme, all guest students must take at least two courses in the field of their studies and/or earn at least 10 credits per semester. ↘ <a href="https://www.uni-jena.de/en/gueststudies-courses#ECTSCredits">https://www.uni-jena.de/en/gueststudies-courses#ECTSCredits</a>	
<b>Language proficiency</b>	Sending institutions should make sure they nominate students with sufficient language abilities. We do not ask for any test certificates. We strongly recommend guest students to prepare for their studies in Jena by learning enough German to be able to follow the instructions, successfully pass exams, and live in Germany. Only few courses are taught in English. The minimum level required for either language is <b>B2</b> according to the Common European Framework of Reference for Languages (CEFR). To find out whether a <b>study programme</b> is offered in <b>German or English</b> , please select either of these languages in the following search mask: ↘ <a href="https://www.uni-jena.de/unijenamedia/internationales/dokumente/studiuminjena/gaststudium/studiengangliste.pdf">https://www.uni-jena.de/unijenamedia/internationales/dokumente/studiuminjena/gaststudium/studiengangliste.pdf</a>	
<b>Preparation workshops</b>	We provide online live Zoom Preparation workshops with topics: Applying to guest studies, Living in the student dormitory, Timetable and Learning Agreement, Mentoring and final preparations and Enrolment. The invitation link will be sent to nominated students before.	
<b>Application procedure</b>	<ol style="list-style-type: none"><li>1. Students must apply online after nomination by their home university. <b>The link will be sent to nominated students by email.</b></li><li>2. Print and sign the application for enrolment pdf.</li><li>3. Send the application for enrolment with the documents from the check list.</li><li>4. by airmail within the deadlines <b>15 January / 15 July</b> to us.</li></ol>
