ACADEMIC INFORMATION

Semester Courses

Graduate students are registered to required program courses by the Program Coordinator prior to the beginning of the semester. UHaifa International may sometimes offer extra curriculum courses. In this case, registration is conducted by the International School.

During the first two weeks of the semester, students will have a two-week "add and drop period", permitting you to add or drop courses as you prefer. After this period, you will submit your final decision and registration will be closed. You may withdraw from a course within the first week of the semester, and the course will be erased from your registration and transcript. After final registration, no withdrawals are permitted, and all registered courses will appear on your transcript.

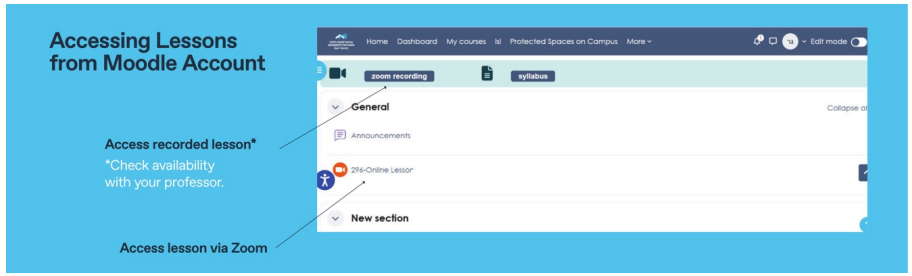

Moodle System

All course materials are stored in the **Moodle system**, and can be accessed from the UHaifa International website. Click on students, then on Moodle 2026-2027 as demonstrated in the photo.

The password to the system is sent to you separately. If you need assistance accessing the system,
please call the Computer Helpdesk:
04-8240856
Email: helpdesk@univ.haifa.ac.il

If your program and/or professor offer an online study mode,
you can also access online and recorded as demonstrated here:

HEALTH INFORMATION

Medical Insurance
Health insurance for all full-time students in the International School is included with your tuition fee. Please note that the Israeli health insurance does not cover pre-existing conditions and is limited to students under the age of 65.
To contact Harel, please call: Einat Cohen : +972-54-529-7775

Medication
If you are taking prescribed medication, it is advisable to bring an adequate supply for the duration of your trip abroad. If that is not possible, you should bring a doctor's prescription (clearly typed in English) for the medicine that you are using, or a prescription of a generic medication that is suitable for your condition. If your medication is sent to you through the mail, you will be required to present a copy of the prescription to the Israel Customs Office before it can be released.

Mental Health
Students who need counseling services are welcome to contact the Internal School. English-speaking counselors are available for international students. There is a fee for counseling services; this fee is the responsibility of the student. The Israeli health insurance through Harel Yedidim does not cover mental health services.
